GUIDE TO THE CORRECT DISPOSAL
OF PACKAGING MATERIALS

Porta & Bini S.r.l.

Belgium

For the correct disposal of the material:

- For customers in Italy: please refer to the identification code of the material and the indications for correct disposal, checking the specific provisions of the local council in accordance with Italian Decree No. 116/2020.
- For customers in other European countries: please refer to the identification code of the material and check the relevant provisions of the specific country.
- For non-EU countries: please refer to the relevant regulations and provisions of the specific country.

The identification code of the material corresponds to the alphanumeric identification code of the material in accordance with Commission Decision 129/97/EC.

PAPER

<p>COTTON BAG</p> 	<p>Material: tissue</p>	<p>Material identification code: TEX 60</p> 	<p>Non-differentiated collection (other materials)</p>

GUIDE TO THE CORRECT DISPOSAL
OF PACKAGING MATERIALS

Porta & Bini S.r.l.

Romania

For the correct disposal of the material:

- For customers in Italy: please refer to the identification code of the material and the indications for correct disposal, checking the specific provisions of the local council in accordance with Italian Decree No. 116/2020.
- For customers in other European countries: please refer to the identification code of the material and check the relevant provisions of the specific country.
- For non-EU countries: please refer to the relevant regulations and provisions of the specific country.

The identification code of the material corresponds to the alphanumeric identification code of the material in accordance with Commission Decision 129/97/EC.
