MAINTENANCE

DO NOT use scouring pads or cleaning agents containing alcohol, chlorine, acids, abrasives or similar. Use of any of the prohibited cleaning or maintenance products could damage the faucet surface. Use ONLY soap and water to clean the surface, then dry with a cloth or towel. Do not use abrasive or rough sponges.

Porta & Bini reserves the right to make any changes to its products without prior notice. The dimensions depicted within the graphic representations are to be considered indicative and subject to possible variation. If you have any questions, please contact your authorised Porta & Bini supplier.
